TEAM-BUILDING

ACTIVITIES & EXPERIENCES

Team Building Activities & Experiences

All tenderfoots have dreamt about the cowboy life at some point in their lives. Let us rustle up some Western team spirit capable of creating lasting memories. These are
just a few of the activities we can custom design to meet your team building objectives.

City Slickers Foot Rodeo

Sheep Dressing: Teams must devise a plan to catch sheep and
goats to dress them in jeans, t-shirt and socks. Time counts!

Cross-Country Shuffle: Teams of cowpokes mount wooden planks and coordinate their movements to complete
a course in the allotted time.

3-Legged Barrel Racing: A venerable favorite with a Western accent.

Design a Horse: Teams work together to assemble a 3-D wooden horse puzzle in the best time.

Chili Cook-off

Teams test their creativity by embellishing a classic chili recipe to win the blue ribbon.

Western Movie-Making Magic

Your team will get their "fifteen minutes of fame" by acting in a pre-scripted 3-minute Western "mini-movie" shot on the sets of the world's most famous Western movie location.

We can custom design your team building event!
